## **1. INTRODUCTION**

### **1.1 Application**

- 1.1.1** This module applies to a Person to whom a provision in legislation administered by the DFSA applies.

### **1.2 General provisions**

#### **Due date for payment of fees**

- 1.2.1** Where pursuant to chapter 2 or 4, a fee is payable for any application to the DFSA, the application will not be regarded as submitted until the fee and any supplementary fee has been paid in full.

- 1.2.2** In regard to fees payable pursuant to chapter 3:

- (a) the initial annual fee must be paid in full to the DFSA within 21 days of the date on which the Licence, Recognition or registration is granted or notification made, unless otherwise specified in a Rule; and
- (b) subsequent annual fees are payable in advance and must be paid in full to the DFSA:
  - (i) in the case of a Person other than a Registered Auditor, on or before 1 January of the calendar year to which the fee relates;
  - (ii) in the case of a Registered Auditor, on or before 31 March of the calendar year to which the fee relates; and
  - (iii) in the case of a Passported Fund, on or before the anniversary of the date of notification.

#### **Guidance**

In regard to the payment of subsequent annual fees, invoices will be issued at least 21 days before the specified date for payment.

- 1.2.3** In respect of a fee payable pursuant to chapter 5, payment must be made to the DFSA by the Bidder:

- (a) at the time of filing of the Bid Document with the DFSA; and
- (b) before the document is posted.

#### **Guidance**

If a fee under chapter 5 is not paid by the date on which it becomes due, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking

steps to suspend or cancel listing.

**1.2.4** If a fee is payable under chapter 6 for an application, notification or request, the application, notification or request will not be regarded as submitted until the fee has been paid in full.

**1.2.5** [Deleted]

### **Reduction, waiver or refund of fees**

**1.2.6** The DFSA may reduce, waive or refund all or part of any fee if it considers that, in the exceptional circumstances of a particular case, it would be equitable to do so.

### **Supplementary fees**

- 1.2.7**
- (1) The DFSA may require a Person to pay to the DFSA a supplementary fee in circumstances where it expects to incur substantial additional costs in dealing with an application, notification or conducting ongoing supervision.
  - (2) The procedures in Schedule 3 to the Regulatory Law apply to a decision of the DFSA to require a Person to pay a supplementary fee.
  - (3) If the DFSA decides to require a Person to pay a supplementary fee, the Person may refer the matter to the FMT for review.
  - (4) If the DFSA requires a supplementary fee to be paid, it must issue an invoice to the Person concerned and the Person must pay the fee by the date specified in the invoice.

### **Guidance**

1. The application and annual fees already include an element for specified complexity and other circumstances meriting an appropriate increase to the basic fee. However, if, in the DFSA's opinion, the reasonably estimated cost of dealing with a matter (based on the time likely to be spent on it) is likely to exceed the amount provided for in these Rules, the DFSA may impose a supplementary fee to cover the additional time it reasonably expects to spend on the matter. Such circumstances could include, for example:
  - a. complex applications by reason of the applicant's start-up profile, origin, ownership structure or proposed business model;
  - b. cases where it may be necessary to conduct intense supervisory scrutiny of an entity from a risk perspective;
  - c. novel proposals and applications that cover untested ground or untested areas of the regulatory regime;
  - d. if a transaction or event involving a Listed Entity, such as an acquisition, disposal, takeover, merger or significant corporate event, is likely to cause the DFSA to incur substantial additional costs; or
  - e. if the DFSA is likely to spend significant time on an issue affecting a Recognised Person, such as if the DFSA has to liaise with its home supervisor or carry out additional supervisory scrutiny of the Person.

2. The purpose of the supplementary fee is to enable the DFSA to cover its costs for resources used in exceptional circumstances to deal with particular cases. The supplementary fee is not intended to be a general revenue raising tool, nor is it the DFSA's intention to use it as a means to make profits in relation to particular cases.

### **Method of payment**

- 1.2.8** A fee payable under FER must be paid:

- (a) in United States Dollars; and
- (b) by a bank transfer made to the DFSA's bank account.

### **Late payment fee**

- 1.2.9** (1) If a fee referred to in Rules 1.2.2 or 1.2.7 is not paid in full by the due date, the non-payment incurs a late payment fee of:
- (a) \$1,000 or an amount equal to 3% of the fee due (whichever is the greater); plus
  - (b) the fee due shall be increased by 1% for each calendar month, or part of a calendar month, that it remains outstanding after the due date.
- (2) Nothing in this Rule limits the right of the DFSA to take any other action.

### **Guidance**

If a Person does not pay a fee by the due date, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking steps to withdraw the Person's authorisation, registration or recognition.

However, if an application for an endorsement is made after a Licence has been granted, a fee will be payable – see for example Rule 2.2.5.

## **2.2 Application to carry on additional Financial Services**

#### **Guidance**

Section 2.2 applies to a Person that is already licensed (i.e. an Authorised Firm or Authorised Market Institution), that applies for a further authorisation or endorsement.

**2.2.1** An Authorised Firm applying for authorisation to carry on additional Financial Services must pay to the DFSA an application fee equal to the difference between:

- (a) the basic fee which would be payable under Rule 2.1.1 (1) if it were an applicant for a Licence in terms currently being sought; and

- (b) \$65,000 in any other case.

(2) An applicant referred to in (1) must pay an additional application fee of \$10,000 for Operating an ATS if it is to trade Investment Tokens or Crypto Tokens and have Direct Access Members.

**2.2.5** An Authorised Person must pay to the DFSA the following fee for an application for the following endorsements:

in Investments, \$5,000.

- 2.2.7** (1) If an Authorised Firm applies to the DFSA to change the scope of its Licence, and no fee is otherwise payable under this section for the application, the Authorised Firm must, except as provided for under (2), pay to the DFSA an application fee of \$10,000 for the application.
- (2) If an Authorised Firm applies to the DFSA only to remove an authorisation, endorsement, activity or financial product from a Licence, the Authorised Firm must pay to the DFSA an application fee of \$500 for the application.

### **Guidance**

The reference to a change to the “scope” of a Licence covers any change to an authorisation, endorsement, activity, financial product, restriction or condition on the Licence (for which an application fee is not otherwise payable under this section). For example, an application to amend or remove a restriction on the Licence or to enable a firm to deal in Debentures instead of Shares or to add a product to the list of Investments that the firm may advise on.

## **2.3 Application to register as a Registered Auditor or Audit Principal**

- 2.5.1** (1) A Fund Manager of a Domestic Fund notifying the DFSA of its intention to be a Passported Fund, must pay to the DFSA a notification fee of \$9,500.
- (2) For the purposes of calculating the fee under (1), if the Fund is an umbrella fund, including, without limitation, a segregated portfolio company or cell company, a fee must be paid for each sub-fund,

segregated portfolio or cell, as the case may be, instead of for the umbrella fund, segregated portfolio company or cell company.

#### **Guidance**

The fee in Rule 2.5.1 is payable only where the DFSA is the Home Regulator of the relevant Domestic Fund that intends to use the passporting procedures (see FPR section 7).

## **2.6 Application for Recognition as a Recognised Body or Recognised Member**

## **2.7 Applications relating to Authorised Individuals and Key Individuals**

**2.7.1** An Authorised Firm applying to the DFSA:

- (a) for Authorised Individual status for an individual;
- (b) to amend an Authorised Individual's authorisation to include a new Licensed Function; or
- (c) to substitute one Authorised Individual for another performing a particular Licensed Function in the Authorised Firm,

must pay to the DFSA an application fee of \$750 for each Authorised Individual for whom it is seeking authorisation; to amend the scope of the authorisation; or to substitute as an Authorised Individual (as the case may be).

**2.7.2** An Authorised Market Institution applying to the DFSA:

- (a) for Key Individual status for an individual;
- (b) to amend a Key Individual's authorisation to include a new Licensed Function; or

#### **Guidance**

Rules 2.7.1 and 2.7.2 apply if a Person is already licensed by the DFSA and applies to add or change an Authorised Individual or Key Individual. A fee is not payable for an application for Authorised Individual or Key Individual status if the application is made at the same time

as an initial application for a Licence.

## **2.8 Application to add a new cell to an existing PCC**

- 2.8.1** A Licenced PCC applying to add one or more new cells must pay to the DFSA \$1,000 in respect of each cell to be added.

## **2.9 Application for admittance of Securities to the Official List of Securities**

- 2.9.1** An applicant for admission of Securities to the Official List of Securities must pay to the DFSA an application fee of \$2,500.

### **Guidance**

An applicant for admission of Securities to the Official List of Securities under Rule 2.9.1 may include an applicant who is an Exempt Offeror (as defined in Article 13(2) of the Markets Law).

- (2) A Person applying for an order sanctioning a transfer scheme under Article 108 of the Regulatory Law must pay to the DFSA a fee of \$30,000 on or before the date of seeking from the DFSA the nomination or approval of a person under Article 111(2) of that law.

## **2.11 Application for a waiver or modification**

- 2.11.1** (1) An applicant for a waiver or modification of any Rule in the Rulebook or any Article of the Markets Law must pay to the DFSA an application fee of \$5,000 if, in the DFSA's opinion, the application involves an issue that is novel or complex or will for any other reason require the DFSA to

spend a significant amount of time on the application.

- (2) The fee in (1) does not apply if the application for a waiver or modification is made in conjunction with an application for a Licence.

**Guidance**

The DFSA will in some cases determine that a waiver or modification should be standardised, that is, made available to any applicant meeting certain criteria. No fee will be required for an application for a standard waiver or modification. In other cases, the DFSA will assess on a case-by-case basis whether the criteria for a fee set out in Rule 2.11.1 apply.

- (2) The initial annual fee is the fee which was payable under section 2.1 at the time of its application for the Licence (disregarding any fee payable under Rule 2.1.1(3)), multiplied by the number of whole calendar months between the date of the grant of the Licence and the end of the year divided by 12.

  - (b) when a merger is effected by Bids for both entities by a new entity created to make the Bids, the fee will be determined by the value of the lower of the two Bids; and

2. In relation to the giving of an estimated value of any unlisted Securities consideration, see TKO Rule 1.4.1 (m).
